Stretchers

Front, back, and side stretchers are 3" x 1-1/2" solid-stock kiln dried hardwood.

Legs

Legs are solid-stock kiln dried hardwood and are secured to stretchers with Sauder Education's Bolt and Bushing connectors.

Table Tops

The top is 3/4" thick high density particle board, laminated on both surfaces with high pressure plastic laminate.

Assembly / Disassembly

Assembly and disassembly is accomplished with a single hex key wrench.

Warranty

Tables are warranted against defects in materials and workmanship for a period of 25 years from the date of delivery.

To Order

1. Specify the model number of the desired table style
2. Specify the wood finish color
3. Specify the top laminate (brand and color number)

Note

Finishes and laminate shown in this literature were readily available to Sauder Education at time of photography. However, Sauder Education cannot guarantee the continuing availability of any finish or laminate.
