Pine

Frame Materials & Construction

Aprons are $\frac{3}{4}$ " x $2\text{-}\frac{1}{4}$ " solid radiata pine and machine grooved to accept steel corner brackets with top fasteners.

Legs are solid to net $2\text{-}\frac{5}{8}$ " x $2\text{-}\frac{5}{8}$ " with outside corner radius of 1" and inside radius of $\frac{3}{8}$ " and are joined to aprons with hanger bolts through the steel corner brackets with nuts and washers.

Shelf supports are solid radiata $2\text{-}\frac{1}{2}$ " x $1\text{-}\frac{1}{4}$ " secured with blind fasteners into the legs. They are fitted with six vertical slats on each side into aprons with mortise and tenon joinery.

Shelf is $\frac{3}{4}$ " solid radiata grain balanced and glued up with high solids poly-vinyl acetate adhesive and is joined to shelf supports with a machine groove into the inside edge of each shelf support and secured with PVA adhesive and blind fasteners.

Table Top

Table top is available with a choice of high pressure laminate or solid wood.

High pressure laminate tops are $1\text{-}\frac{1}{4}$ " particleboard surfaced with high pressure plastic laminate and backing sheet with 3mm PVC edges.

Solid wood table top is a $1\text{-}\frac{1}{4}$ " thick panel of edge glued solid radiata pine with high solids poly-vinyl acetate adhesive under heat and pressure. Edges have a $\frac{3}{8}$ " radius on the top and a $\frac{1}{8}$ " radius on the bottom to eliminate any sharpness. Corners have a $1\text{-}\frac{1}{2}$ " radius at all four corners. The top is secured through steel corner brackets with washer head screws with sheet metal threading for maximum holding strength.

Warranty

Chairs are warranted against defects in materials and workmanship for a period of 10 years from date of delivery. Please refer to our written warranty for details.

Note

Finishes shown in this literature were readily available at time of photography. However, Sauder Education cannot guarantee continuing availability of any finish.

*GREENGUARD Certification applies to specific options. Please see product guide at greenguard.org.
