# Rally collection

Rally is a modular seating system with sleek, modern styling and comfort comparable to residential furniture. Rally offers chair, loveseat and sofa units available with four interchangeable arm styles and a variety of options for endless design possibilities. With Rally Privacy, students can study with less distraction, and have separation from the larger environment without leaving a common area.

- Completely configurable for a variety of spaces - use as a single piece or combine modular units to create sectional groupings
- Smart Design System includes securing components with hidden interlocking metal fasteners for easy renewability or replacement
- Easy exchange of arms to create new styles
- Arms, cushions, and wall panels are component replaceable for ease of style updates or repair
- Stretched webbing and molded foam create a live seat feel which equals the comfort levels found in residential furniture
- Ganging available
- Wall panels on Privacy models attach to the outer planes of the chair sides and back to create a flush look
- Numerous foot options available including sled base and casters
- Standard moisture barrier to protect surface from spills
- GREENGUARD® Certified for low chemical emissions UL.COM/GG UL 2818\*
- Covered by a 25-year warranty

## Options

Feet are offered in wood (maple or oak), metal, sled and casters are also available. Ottoman top surfaces are offered in upholstered or thermoformed table tops. Embrace arms are offered in upholstered or with Thermoform arm caps.

## Privacy Panels

Privacy panels attach to the outer planes of the chair sides and back. The panels are 47" tall x 1.5" thick in varied widths per model.

## Power

Durable die-cast construction. UL listed with two 120V outlets or one USB and one 120V outlet. Both options have a 12 foot pigtail. Power units are not tamper resistant. Specify in black or silver.

## Ganging Device

Units are ganged with polyester strapping that latches with a steel over-center buckle. Buckle may be locked with optional threaded fastener. Units can only be ganged from the armless sides, not front or rear.

## Table Arms

Compose table arms only can be ganged to armless units.

## Arm Identification

Models with one arm can be produced with the arm on either the left or right side. When ordering, specify the side of the arm as desired as you are facing the chair.

## COM

Customer's Own Material is estimated yardage based on 54" wide, solid-color fabric. Actual required yardage may vary depending on special instructions for matching direction of pattern. A sample must be submitted to determine actual yardage needed and any additional up charge.

## Moisture Barrier

Sauder laminates a waterproof polyurethane membrane to the polymeric urethane foam on the seat and arms. It is waterproof, mildew-proof, and washable.

## Cal TB 133 Specifications

All seating products can pass Cal TB 133 when appropriate materials are specified.

## Assembly and Disassembly

All major components are assembled and disassembled with no threaded fasteners. Instead, they are secured by means of hidden interlocking metal fasteners that do not require a tool to engage or disengage. Corner unit requires minimal use of a  $\frac{3}{16}$ " hex wrench.

## Warranty

This product is warranted against defects in materials and workmanship for a period of 25 years (3 year warranty on foam) from date of delivery. Casters are warranted for 3 years. Sauder Program Fabrics are warranted according to the manufacturer's warranty.

## Note

Fabrics shown in this literature were readily available at the time of photography. However, Sauder Education cannot guarantee continuing availability of any fabric or finish.
