Options

Feet are offered in wood (maple or oak), metal, sled and casters. Top surfaces are offered in upholstered or thermoformed table tops.

Base Frame

The frame consists of 3/4" and 3mm plywood. There is urethane foam wrapped around the exterior of the base.

Cushion Top

Cushion core is 3.5" thickness and 30 lb IFD of urethane foam.

Table Top Surface

Table surface on the ottoman is offered in thermoform. Thermoform is fire resistant and also has a high resistance to impact, chemicals and cleaning agents.

COM

Customer's Own Material is estimated yardage based on 54" wide, solid-color fabric. Actual required yardage may vary depending on special instructions for matching direction of pattern. A sample must be submitted to determine actual yardage needed and any additional up charge.

Moisture Barrier

Sauder laminates a waterproof polyurethane membrane to the polymeric urethane foam. It is waterproof, mildew-proof, and washable.

Cal TB 133 Specifications

All seating products can pass Cal TB 133 when appropriate materials are specified.

Assembly and Disassembly

Round ottomans require minimal use of a 3/16" hex wrench to remove threaded fasteners.

Warranty

This product is warranted against defects in materials and workmanship for a period of 25 years (3 year warranty on foam) from date of delivery. Casters are warranted for 3 years. Sauder Program Fabrics are warranted for 3 years.

Note

Fabrics shown in this literature were readily available at the time of photography. However, Sauder Education cannot guarantee continuing availability of any fabric or finish.

*GREENGUARD Certification applies to specific options. Please see product guide at greenguard.org.
