### Sustainable Seating

All Upland chairs are manufactured with seat pans that are made from 100% recycled plastic of which 55% is post consumer. The seat pan is free of toxic byproducts and any manufacturing waste is returned to the process. The plastic seat pan has a smooth surface that makes it easier to clean and gives a more finished look.

**The Upland Series offers durable seating with contemporary styling and options to create your own unique look. Upland complements a wide range of applications, including residence halls, dining areas, libraries, classrooms, and meeting areas.**

## Glides

Durable injection-molded hard plastic glides are standard.

## COM

Customer's Own Material is estimated yardage based on 54" wide, solid-color fabric. Actual required yardage may vary depending on special instructions for matching direction of pattern. A sample must be submitted to determine actual yardage needed and any additional up charge.

## Cal TB 133 Specifications

Seating products can pass Cal TB 133 when appropriate materials are specified. An upcharge applies.

## Flame Retardant

Foam provided on the upholstered seats is compounded to meet specifications of the Federal Motor Vehicle Standard MVSS302 and California Bulletin No. 117 (TB117-2013).

## Warranty

Chairs are warranted against defects in materials and workmanship for a period of 10 years from date of delivery. Please refer to our written warranty for details.
