Options

Feet are offered in wood, square metal, round metal and sled base. Embrace arms are available in upholstered or Thermoform arm caps.

Privacy Panels

Privacy panels attach to the outer planes of the chair sides and back. The panels are 47" tall x 1.5" thick in varied widths per model.

Renewability

Rally Privacy has component-replaceable panels, arms and seat/back cushions. Replacement upholstery is available for all parts of the chair except wall panels.

Power

Durable die-cast construction. UL listed with two 120V outlets or one USB and one 120V outlet. Both options have a 12 foot pigtail. Power units are not tamper resistant. Specify in black or silver.

Arm Identification

The Compose unit can be produced with the table arm on either the left or right side. When ordering, specify the side of the table arm as desired as you are facing the chair.

COM

Customer's Own Material is estimated yardage based on 54" wide, solid-color fabric. Actual required yardage may vary depending on special instructions for matching direction of pattern. A sample must be submitted to Sauder Education to determine actual yardage needed and any additional upcharge.

Moisture Barrier

Sauder laminates a waterproof polyurethane membrane to the polymeric urethane foam on the seat and arms. It is waterproof, mildew-proof, and washable.

Cal TB 133 Specifications

All seating products can pass Cal TB 133 when appropriate materials are specified.

Assembly and Disassembly

Most major components are assembled and disassembled with no threaded fasteners. Instead, they are secured by means of hidden interlocking metal fasteners that do not require a tool to engage or disengage. The Privacy back wall panel and corner unit do require minimal use of a 3/16" hex wrench.

Warranty

This product is warranted against defects in materials and workmanship for a period of 25 years (3 year warranty on foam) from date of delivery. Sauder Program Fabrics are warranted according to the manufacturer's warranty.

Note

Fabrics and finishes shown in this literature were readily available at time of photography. However, Sauder Education cannot guarantee continuing availability of any fabric or finish.
