

DESK SEATING

Sauder Education® understands that one style of chair doesn't always suit everyone. That's why we have multiple to choose from! Wood, poly, and metal options available.

PlyLok

The PlyLok series is engineered with durability, comfort, refinement and selection. Extensive choice of frame and back styles provide endless style and functional combinations, ensuring a fit for all applications in education, including residence halls, library, dining and classroom.

Choose from Over 20 Back Styles

Some popular backs include:

PlyWedge

The PlyWedge series is designed with style and strength in mind, featuring our unique one-piece side frame construction. PlyWedge 2- and 3-position chairs provide back or back-and-forward rocking positions to maximize comfort and function when studying or socializing.

Encore

Encore was purposely designed to embrace how today's students study, interact and relax. Packed with functionality and designed to exceed students' expectations of comfort, Encore is a one-piece alternative to the Trey® multi-function chair.

Upland

The Upland Series offers durable seating with contemporary styling and options to create your own unique look. Upland complements a wide range of applications, including residence halls, dining areas, libraries, classrooms and meeting areas. Two seat widths available in standard heights.

Delta

The Delta Series offers durable seats that are able to nest together, providing functional seating options for a wide range of applications, including residence halls, library, classrooms, and meeting areas. Exceeds BIFMA seating durability test to 500 pounds per chair.

Element

Element chairs provide durable seating for residence halls, whether it be for student desk or accommodating guests that require temporary seating.
