

BED ACCESSORIES

Sauder Education offers a large line of bed accessories that work great with any of our bedroom collections. Add both safety and function to student rooms on campus. Contact your local Sauder Education representative to build out the perfect bedroom offering for your campus. Accessories are available in multiple finish options to coordinate with you casegoods.

Added Safety

Metal ladder, wood panel or metal guardrail, and metal stabilizer bar options for loft and bunk beds provide extra safety and convenience to students within their rooms.

Power

Mobile charging station provides easy access to power with two 120v and USB ports with a long cord length.

Bed-Mounted Desk

Our bed mounted desks easily adjust from sitting to standing configurations to match the way students want to study while saving floor space. Models compatible with our wood ladder end beds or metal ladder end beds are available.

Storage

Single and double shelves add storage for books and decorations increasing the functionality of all Sauder Education wood ladder end beds.

Quick Access

A universal side table allows for quick, easy access to items like a phone, water bottle, or alarm clock.
