

BED ACCESSORIES

Sauder Education offers a large line of bed accessories that work great with any of our bedroom collections. Add both safety and function to student rooms that have any of our bed systems - Beechwood, Espresso, Merit, or zTrak. Accessories are available in multiple finish options in order to create a clean look throughout campus.

Added Safety

Metal ladder, wood panel guardrail, and metal stabilizer bar options for loft and bunk beds provide extra safety and convenience to students within their rooms.

Power

Mobile charging station provides easy access to power with two 120v and USB ports with a long cord length.

zTrak Bed-Mounted Desk

This bed-mounted desk attaches securely to the zTrak bed system, and can easily be adjusted from sitting to standing desk by students.

Storage

Single and double shelves add storage for books and decorations, and a side table allows easy access to a phone or alarm clock.
