The **Upland Series** offers durable seating with contemporary styling and options to create your own unique look. Upland complements a wide range of applications, including residence halls, dining areas, libraries, classrooms and meeting areas.

Sustainable Seating

All Upland chairs are manufactured with seat pans that are made from 100% recycled plastic of which 55% is post consumer. The seat pan is free of toxic byproducts and any manufacturing waste is returned to the process. The plastic seat pan has a smooth surface that makes it easier to clean and gives a more finished look.

Tubular Tables are a series of general purpose tables that provide style, function and flexibility to space on campus.
