

Merit & Chill

The Merit Collection is a fresh, innovative line of student bedroom furniture featuring our new, proprietary upscale laminate construction in three wood finishes and optional Graphite accent tops. Merit casegoods melamine laminate surface with PVC edge banding provides maximum durability and impact resistance.

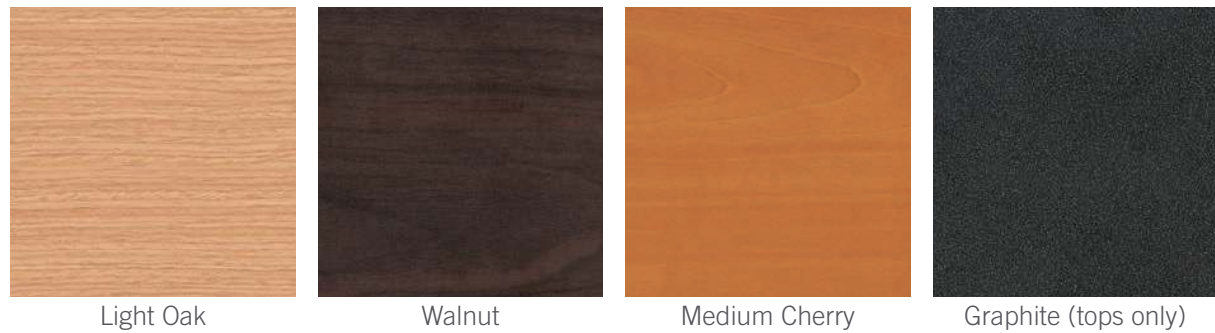

The Merit casegoods are a fresh, innovative line of student bedroom furniture featuring our, proprietary upscale laminate construction in multiple wood finishes and optional Graphite accent tops. Merit casegoods melamine laminate surface with PVC edge banding provide maximum durability and impact resistance.

The Chill collection adds an element of comfort that will make students feel right at home in their suite or apartment. It has mid-century modern styling, and comfort that is comparable to residential furniture. Arms, cushions, and feet are all component replaceable for ease of style updates or repairs.
