Upland chairs & stools

The Upland Series offers durable seating with contemporary styling and options to create your own unique look. Two seat widths, multiple back materials and color options, and multiple frame styles and color choices are available.

Sustainable Seating

All Upland chairs are manufactured with seat pans that are made from 100% recycled plastic of which 55% is post consumer. The seat pan is free of toxic byproducts and any manufacturing waste is returned to the process. The plastic seat pan has a smooth surface that makes it easier to clean and gives a more finished look.
