zTrak bed system

Forget what you know about bed systems. The zTrak bed system dramatically improves the process used to change bed heights.

Designed and engineered for the student room environment, zTrak only requires minimal effort from 2 people to change a bed height, while significantly reducing adjustment time.

zTrak changes what was physically cumbersome for campus staff or students into a simple, quick and economical process to manage.

Available in Twin, Twin XL and Full.

zTrak Jr Loft Twin XL w/zLok 9717008 | 2-Drawer Chest 9835211 | Side Table 9615522 | Rail-Mounted End Shelf, Single 9625520

No Tools Required!

zTrak with zLok knobs is a truly toolless system, and no disassembly is needed for height adjustment.

zLok Knob

zLok Option

The zLok spring base and stabilizer bar feature locking knobs which turn to tighten, allowing assembly, disassembly and height adjustment without the use of a mallet. Add this option to any zTrak model.

Colors and Finishes

zTrak wood ladder ends are available in finishes matching existing Sauder Education® casegoods from the Merit and Endure collections.

Accessories sold separately from bed system. U.S. Patent No. 10,806,269

NEW collection

TruStak

TruStak beds

Beech ladder ends include an integrated self-aligning stacking feature so you can trust your placement for lofting and bunking the first time. The stacking feature eliminates the need for loose pins and allows you to line up bed ends quickly and securely.

Trust your placement the first time, everytime!

Metal beds

Metal ladder end beds provide long-lasting strength and durability with quality steel construction. Ends feature our patented Hide-away® bunking pin to eliminate the problem of lost pins. Configurable systems offer flexibility in room setup.

No Tools Required!

Metal ends feature hide-away bunking pin that folds down for single bed use, no pins stick up, and no losing pins.

Mattresses

Bed Bug Resistant
Inverted Seam

Research has shown that bed bugs live and reproduce in taped edge mattresses. The XP Plus Dual Firm Mattresses are designed with minimal tape exposure.

XP Plus Dual Firm Mattress

- > Premium comfort with 2 firmness options - one side is firmer while other side provides more plush comfort
- > Durable construction for enhanced service life
- > Resistant to bed bugs, open flame, stains and soiling
- > Inverted seam/lockstitched seam
- > Non-woven fire barrier laminated to ticking
- > Full scale fire tested to:
 - ▶ Boston Fire Dept. 1x-11
 - ▶ California TB129
 - ▶ ASTM 1590
 - ▶ Federal Standard 16 CFR 1632 (FF4-72)
 - ▶ CPSC 16 CFR 1633 Flammability Test
- > Nylon - 210 denier nylon oxford/urethane coated ticking
- > 5-year non-prorated warranty

Bed Accessories

Bed accessories pair great with bed systems, as well as current casegood furniture already on campus. Offering finish options to match existing collections allows for a clean look in any student room. Students can easily move an accessory to fit their needs within the room. Adding an accessory or multiple accessories to beds provides students with both safety and function.

Personalize the wood guardrail with your school name or logo.
